

Begin Your Journey (Revelation 22:1-2)

Sermon Devotional

Series: Growth Track

Dr. David H. Rhoades - June 7, 2020

1. Have you ever gone on a trip without any idea where you would end up?
2. If, however, there was a certain destination you wanted to travel to, what kind of decisions would you need to make now to get there?

Digging Deeper

3. Read Revelation 22:1-12 or access Pastor David's message at broadviewchurch.com/media.
4. In these two verses, there are two geographical features that are associated with life. What are they?
5. As a Christian, when you escape the bondage of sin (represented by Egypt) and you empty yourself of all but Christ (represented by the wilderness), you enter the Promised Land. This is the spiritual place where you experience Christ's abundant provision of every spiritual blessing you need. Where do you believe you are dwelling right now?
6. To enter the Promised Land of Christ's abundant provision, you must possess that land by faith. You must believe that God is offering you his best, and by faith you must be willing to pursue him and receive it. Are you ready to pursue God?
7. A part of pursuing God is to partake of everything Christ has provided us, including being an active part of the Bride of Christ. Are you ready to commit yourself to God's people?

Bringing It Home

8. God calls us to believe in Jesus, be baptized, and serve him. What do you believe God desires from you today?
 9. Voice or write out your prayer to God today. Ask the Holy Spirit to empower you to follow him.
